

# MODEL 15 MANUAL CUP SEALER

## Robust.

The Model 15 Manual Cup Sealer is a simple, durable and easy sealing solution. The Model 15 is made with a minimal design and washable food grade materials. Ideal for products being sold in stores; the tamper evident seal prevents contamination and extends shelf life! The tamper evident seal secures the chain of custody, making sure that any product is safely transferred from you to your customer.

## Reliable.

We are committed to making solutions for your packaging needs. That includes after the product ships! We understand no product is the same. That's why our service department is standing by to answer your questions, troubleshoot, and deliver results! Proudly made in the USA, the Model 15 is top of the line in quality and durability. The Model 15 bridges between the kitchen and your customer's hands with ease and safety!

## 5 REASONS TO CHOOSE the Model 15 Manual Cup Sealer

### Tamper Evident Sealing

Air tight seals make any tampering or breakage obvious! When safety is a priority, tamper evident seals provide ease of mind when packaging your product!

### Spill Proof Sealing

What's the most common customer complaint for "to go" orders? Sauces spilling in the bag. Snap caps popping off. Not anymore! Spill Proof Seals are strong and durable, allowing easy transportation!

### Easy Use

It only takes minutes to learn how to use the Model 15 Manual Cup Sealer! The simple design and easy to follow instructions make it user friendly!

### Food Grade Materials

The Model 15 Manual Cup sealer is made from food grade materials: which means that you don't have to worry about cross contamination after washing!

### NSF Approved

The Model 15 Manual Cup Sealer has been NSF approved since 2015! Trust the experts and invest in a Model 15 Manual Cup Sealer today!
